

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair Stops Falling Out and Gets Thick,
Wavy, Strong and Beau-
tiful

Your hair becomes light, wavy, fluffy,
abundant and appears as soft, lustrous
and beautiful as a young girl's after a
"Danderine hair cleanse." Just try this
—moisten a cloth with a little Danderine
and carefully draw it through your hair,
taking one small strand at a time. This
will cleanse the hair of dust, dirt and
excessive oil, and in just a few moments
you have doubled the beauty of your
hair.

Besides beautifying the hair at once,
Danderine dissolves every particle of
dandruff; cleanses, purifies and invigorates
the scalp, forever stopping itching
and falling hair.

But what will please you most will be
after a few weeks' use, when you will
actually see new hair—fine and downy
at first—yet—really new hair growing
all over the scalp. If you care for
pretty, soft hair and lots of it, surely
get a 25-cent bottle of Knowlton's Danderine
from any druggist or toilet counter,
and just try it.—Adv.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards'
Olive Tablets

That is the joyful cry of thousands since
Dr. Edwards produced Olive Tablets, the
substitute for calomel.

Dr. Edwards, a practicing physician for
17 years and calomel's old-time enemy,
discovered the formula for Olive Tablets
while treating patients for chronic con-
stipation and torpid livers.

Dr. Edwards' Olive Tablets do not con-
tain calomel, but a healing, soothing veg-
etable laxative.

No gripping is the "keynote" of these lit-
tle sugar-coated, olive-colored tablets. They
cause the bowels and liver to act normally.
They never force them to unnatural action.

If you have a "dark brown mouth" now
and then—a dull, tired feeling—head-
ache—sluggishness—torpid liver and are
constipated, you'll find quick, sure and only
pleasant results from one or two little Dr.
Edwards' Olive Tablets at bedtime.

Thousands take one or two every night
just to keep right. Try them. 10c and 25c
per box. All druggists.
